Sitting here ... thinking back
to when we first stepped into these halls,
not realizing we were about to create
our own ECHOES.

So much has happened
in these years we were here.
So many friendships made
and too many lost.
So many shared laughs,
So many shared tears,
which are now all ECHOES.

Now as we prepare to move on,
saying goodbyes, promising friendships,
we must stop to look back
and hold on to our memories,
which will always be a reminder
of our ECHOES at Agawam Junior High School.

8th Grade Principal's Award Alexandra Page

The Principal's Award is presented in June to the eighth grade student who is deemed by the faculty to have been the most outstanding student during the past two years at Agawam Junior High School. The faculty bases its decision on the fact that the student is well liked by both students and staff and has demonstrated the following qualities:

- Good conduct
- School spirit
- Sportsmanship
- Good academic record
- Helpful and cooperative
- Involvement in school activities
- Contribution to school and community
- Trustworthiness, reliability and promptness
- Respectful attitude toward people and property

This year's winner of the 8th grade award is LEXA PAGE, who clearly demonstrates the qualities listed in the award. Lexa has been involved in a wide range of activities while maintaining an outstanding academic record.

Lexa has been a cheerleader for two years and this year was chosen co-captain of the team. As cheerleading captain, Lexa has displayed superior leadership qualities. She is dependable, optimistic and trustworthy. Throughout the season she could be counted on to help teach cheers and to demonstrate techniques to the team or just brighten up a game or practice with a smile.

Lexa has an outstanding academic record. She has earned Honor Roll status every term she was

eligible, qualifying four times in 5th, 6th, and 7th grades and twice to date in 8th grade.

At the elementary school level, Lexa was mistress of ceremonies for the fourth grade graduation and played the lead role in *Mary Poppins*. At the middle school, she was a member of the 5th grade bus patrol. She has been a library aide for two years and a member of the Non-Users Club at the junior high.

For the past two years, Lexa has served in various capacities on the Yearbook staff. This year she volunteered for the Ballot Box Committee which was formed to review and update the ballot box categories. During the process, Lexa contributed many creative ideas and demonstrated effective leadership skills in working with her peers.

Lexa has participated in a variety of athletic activities including her favorite, competitive swimming. She has been a member of the Piranhas Swim Team and has won her age group championship eleven times. As a member of the Pioneer Valley Aquatic Club, she has participated in the Junior Olympics at Harvard and Wellesley. Lexa feels that team effort is very important but that each individual must strive for the best possible performance at all times. This philosophy is certainly evident in all that she does.

Lexa has studied ballet for seven years and has performed with the Berkshire Ballet in *The Nutcracker* and *A Midsummer Night's Dream*. A talented artist, Lexa has had her work entered in several contests, has been awarded second place and has had her work displayed in several art shows.

Chose as Miss Agawam Junior High by her peers in the annual ballot box election, Lexa exemplifies all the qualities that make an outstanding student. It is interesting to note that Lexa was chosen by her peers and the faculty for two very similar awards.

CONGRATULATIONS, LEXA!

9th Grade Principal's Award Rose Pignatare

The Principal's Award is presented in June to the ninth grade student who is deemed by the faculty to have been the most outstanding student during the past three years at Agawam Junior High School. The faculty bases its decision on the fact that the student is well liked by both students and staff and has demonstrated the following qualities:

- Good conduct
- School spirit
- Sportsmanship
- Good academic record
- Helpful and cooperative
- Involvement in school activities
- Contribution to school and community
- Trustworthiness, reliability and promptness
- Respectful attitude toward people and property

This year's award recipient in grade 9 is ROSE PIGNATARE. For the last three years, Rose has been a very active student and she has maintained Honor Roll grades in high ability classes.

Rose is an accomplished musician. She has studied violin both privately and in school, and she has participated in the Agawam Junior High String Orchestra and in the Solo and Ensemble Festival for the past four years. Selected for District Orchestra in grades 7, 8 and 9, Rose was honored this year by being chosen first chair for violins. She was also a member of Springfield Symphony's Young People's Philharmonia for two years.

Her interest in the arts extends to both dance

and visual expression. She studies jazz, tap, toe and lyrical jazz at the Rainbow Connection three times a week. Rose earned several art awards while at the middle school and won the MADD poster contest in 1990.

Rose's self-discipline approach to all her activities is best reflected on the athletic field. As a freshman, she earned the position of varsity midfielder on the Agawam High School Field Hockey Team. Coach Grieve describes Rose as a very unusual player in the best possible sense: she is mature far beyond her years in her ability and determination. Rose sets high standards and goals for herself and maintains a positive attitude as she strives to achieve these goals.

She has participated in many other activities while at the junior high. She was a library aide in grades 7 and 8 and a cheerleader and manager of the girl's track team in grade 8. Rose served on the Yearbook staff for two years and she was a valued member of the Ballot Box Revision Committee this year. Rose served as an usher for the musical production of *42nd Street*. She is a member of the Non-Users Club. As a member of Sacred Heart Church she is active in the C.C.D. program.

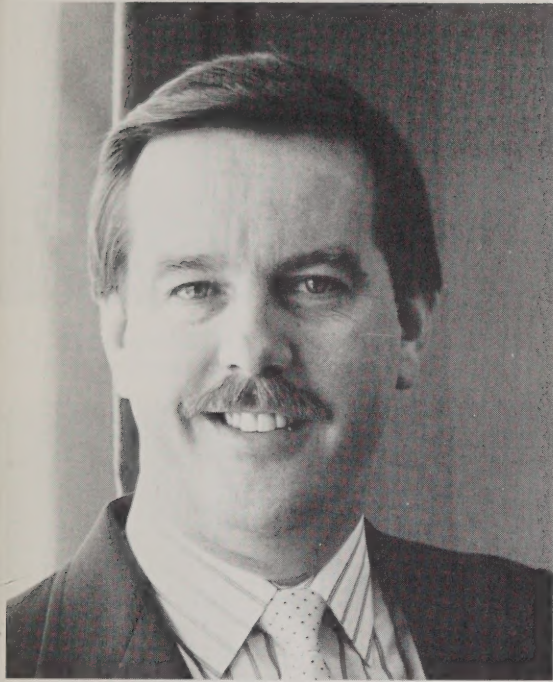

Rose is described by family and friends as very trustworthy and as someone who can always be counted on to make the right decision. Well liked by students and faculty, Rose was chosen Class Preppy in the 1991 Ballot Box for grade 9.

CONGRATULATIONS, ROSE!

ESL CLASS Ms. Sharon Leighton, Teacher

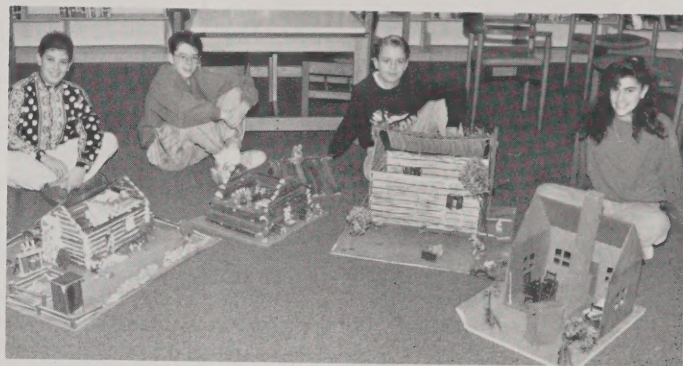

Colonial Houses

Students in Mr. William Quinn's social studies classes researched, designed and constructed historically accurate houses of the American colonial period. The houses submitted by the students include log cabins, salt boxes and plantation manor homes. Many houses are fur-

nished and landscaped. Approximately 110 students participated in this project, with a few examples shown here.

All the house projects have been displayed in the junior high library and hall showcases and will be displayed at the Spring Arts Festival to be held at the high school.

NATIONAL GEOGRAPHIC WORLD AWARD

The 1991 National Geographic World Award winner, MATT CHRISTY, receives his award from Mr. William Quinn. Matt is the first Agawam student to achieve finalist status for two consecutive years at the junior high school. He will now compete in the state geography bee.

CONGRATULATIONS, MATT!
